LIBRARY NOTICE

This is to inform all the students of Junior College and Degree College (Aided Courses and Self Financing Courses) that **Vaze College Library** has started a **Telegram Channel** for sharing important information, e-books, e-magazines, links to knowledge resources, etc. for the benefit of all our library users. The Library's Digital Newsletter – Library Connect and the Virtual Bookshelf – Panorama will also be shared through this channel. Other irrelevant messages will not be shared on this channel, as the Library is interested in good quality information dissemination.

All the students are hereby requested to join the Channel by using the joining link provided below. Before using the link, please download the Telegram App from Playstore, if you have not already done so.

As you are aware that the Library has been circulating quality information and digital resources through students' whatsapp groups. But it has been found that the shared information is not reaching all our students. Hence, this channel is being started to directly reach out to maximum students.

Hoping you will join the Channel at the earliest and take optimum benefit.

With best wishes for your examinations and a bright future,

- Paritosh Pawar
