## Library Visits organized for Third Year students by Department of Botany and Department of Sociology

**Photo 1:** Librarian Mr. Paritosh Pawar giving an overview of the library resources to the students of TYBSc- Botany.

**Photo 2:** Librarian Mr. Pawar and Dr. Ajit Kengar, Dept. of Botany, during the Library visit

### **Library Visit organized by the Department of Botany:**

A library visit was organized by the Department of Botany for the T.Y.B.Sc. students on **17-June-2019**. 15 students accompanied by Dr. Ajit Kengar, Asso. Prof., Dept. of Botany visited the different sections of the Library. The students were shown the different books related to all branches of Botany that have been shelved in the Main Library. The students browsed through the books. They were also shown the Periodical Section and Reference Sections. Librarian Mr. Paritosh Pawar gave an overview of the library resources in print as well as digital. He briefed

the students about the E-resources subscribed by the library and also the open access resources available through the library website. A demo of how to access these resources was also given.

**Library Visit organized by the Department of Sociology:** A library visit was organized by the Department of Sociology for the T.Y.B.A. students on **26-June-2019**. 40 TYBA Sociology students accompanied by Dr. Laxmi Periyaswamy, Asstt. Prof., Dept. of Sociology visited the Reference Section of the Library. The students were shown the different reference resources like the Ph.D. Theses, Encyclopedia, Dic-

tionaries, and other books related to Sociology. Librarian Mr. Paritosh Pawar briefed the students about the library website and access to E-resources subscribed by the library and the WebOPAC facility available through the library website.

The library wishes to thank Dr. Ajit Kengar and Dr. Laxmi Periyaswamy for organizing the library visits for their Third Year students. This initiative has been appreciated by other departments and have informed their desire to organize such visits for their students.

**VIDYA-MITRA**  
INTEGRATED E-CONTENT PORTAL  
A GATEWAY TO ALL LEARNERS

Vidya-mitra is an online learning portal for all the e-content projects developed under the NME-ICT (National Mission on Education

through Information and Communication Technology), MHRD. The portal provides facility to search and browse all hosted content wherein a learner can easily access the desired material including audio/video learning mate-

rial, textual material, multimedia-enriched materials etc. through a single interface. Moreover, features of faceted search, usage statistics, project-wise access, My-Space are incorporated in this

## CONNECTED TO YOU

### From the Editor ... Mr. Paritosh Pawar (Librarian)

The academic year 2019-20 began with two Departments - Botany and Sociology, organizing library visits for their students of T.Y.B.Sc. and T.Y.B.A. respectively. This initiative is always welcomed by the library, as students come face to face with the library resources through such visits. Other departments are also welcome to plan such visits for their students.

The library is starting a series of Library User Awareness Programmes especially focusing on the E-Resources (Online E-Journals and E-books) subscribed by the college and the WebOPAC facility availability through the library website. The first such programme is scheduled for Teaching faculty of Self Financing Courses on 06-07-2019. Sessions have also been planned for S.Y.B.Sc. and T.Y.B.Sc. students of Biotechnology, S.Y.B.Sc. students with Maths-Physics subjects group and T.Y.B.Sc. Mathematics students. Library welcomes all the students and teaching faculty of all departments for such

programmes.

This issue of Newsletter has information on **Vidya-Mitra - the Integrated E-Content Portal**, an MHRD-Government of India initiative under the NME-ICT project hosted by INFLIB-NET Centre. The portal has a lot of e-content catering to UG and PG learners in a wide variety of subject areas.

More information on other such portals and websites will be provided in the forthcoming issues of the Newsletter. Hoping that we are able to satisfy the user's hunger for up-to-date, authentic and reliable information.

Library users are requested to send their suggestions and feedback about the newsletter as well as the library to the email –

[vgvclibrary@gmail.com](mailto:vgvclibrary@gmail.com)

- Paritosh Pawar,  
Librarian and Editor

### Vidya-Mitra: Integrated E-Content Portal..... continued from Page 1

portal. There are more than 50 projects on e-content under NME-ICT which are developed / being developed in various subject disciplines (science, arts, engineering, social science, etc) through various Indian institutes / universities / colleges.

**E-Content includes**  
**44,450 e-text resources,**  
**66,174 e-Tutorial/videos,**  
**and 37,827 other e-resources**

Vidya-Mitra also has a YouTube Channel hosting a lot of e-learning video content.

#### Subject Areas covered under Vidya - Mitra:

Arts, Humanities & Languages  
Engineering and Technology  
Physical & Basic Sciences  
Medical and Health Sciences  
Life Sciences  
Social Sciences  
Secondary and Senior Secondary

#### Latest @ Vidya - Mitra:

Content of 35+ projects have been uploaded in the platform. More

content from different projects are being uploaded including NPTEL, e-PG Pathshala, NCERT, etc. Metadata enriched e-content have been stored with appropriate subject descriptors.

**E-Resources available for**  
**Under Graduate Learners-**  
**46,515**

**Post Graduate Learners - 20,487**  
**Others - 4,753**

#### Recently Added Content:

The video component for all modules of Management Accounting, Zoology Experiments, Fermentation Technology, Analytical biochemistry, Quantum and nano-computing, Physical education, and Economics are uploaded.

#### Projects uploaded from Institutions like-

BHU, Varanasi, Dayalbagh Educational Institute, Dayalbagh, Agra, IIIT Hyderabad, IIT BHU, Varanasi, IIT Gandhinagar and Christ College, Rajkot, IIT Gandhinagar and N V Patel College of Pure and Applied Sciences, Vallabh Vidyanagar, IIT Gandhinagar and Navrachna University, IIT Gandhinagar and Saurashtra University, IIT, Madras,

Indian School of Mines, Dhanbad, NIST, Berhampur, NIT Warangal.

Vidya-Mitra Portal can be accessed by visiting the following website:

<http://vidyamitra.inflibnet.ac.in/>

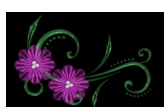

The Portal has been hosted by **INFLIB-NET Centre, Gandhinagar, Gujarat.**

All the above information has been gathered from the official website of the portal mentioned above. It has been provided for the benefit of all the library users and learners. Library users are requested to take optimum benefit of Vidya-Mitra Portal. Link to visit this portal has also been provided on the E-Resources page of the Library website.

The initiative of hosting such valuable e-resources by MHRD— Government of India under the National Mission on Education through ICT - (NME-ICT) through INFLIBNET Centre is highly appreciated. Hoping that learners across India take benefit from it and support the initiative.

### GLIMPSES - New Arrivals in the Library

**Business Intelligence: Data Mining and Optimization for Decision Making** by Carlo Vercellis, Publisher: Wiley India Pvt. Ltd., New Delhi, 2018, Paperback, ISBN 978-81-265-4188-1, 440 pages, Rs. 619/-

From the Preface of the Book – “....The interpretation of the term business intelligence that we have illustrated and that we intend to develop in the book is much broader and deeper compared to the narrow meaning publicized over the last few years by many software vendors and information technology magazines. According to this latter vision, business intelligence methodologies are reduced to electronic tools for querying, visualization and reporting, mainly for accounting and control purposes. Of course, no one can deny that rapid access to information is an invaluable tool for decision makers.....”

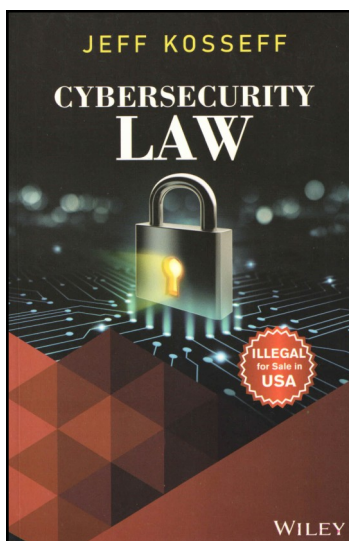

The book is divided into three parts - Part I: Components of the decision-making process, Part II: Mathematical models and methods, and Part III: Business intelligence applications. *Software tools* are covered in Appendix A and *Dataset repositories* are covered in Appendix B.

**Network Warrior: Everything You Need to Know That Wasn't on the CCNA Exam**, by Gary A. Donahue, O'reilly Media Inc., 2018, Paperback, ISBN 978-93-5023-415-0, 808 pages, Rs.1,275/-

From the Preface: “....all the examples used in this book are drawn from real experiences, most of which I faced myself during my career as a networking engineer, consultant, manager, and director.”

Pick up where certification exams leave off. With this practical, in depth guide to the entire network infrastructure, you'll learn how to deal with real CISCO networks, rather than the hypothetical situations presented on exams like the CCNA. Network Warrior takes you step by step through the world of routers, switches, firewalls, and other technologies based on the author's extensive field experience. You'll find new content for MPLS, IPv6, VoIP, and wireless in this completely revised second edition, along with examples of Cisco Nexus 5000 and 7000 switches throughout.

**Cybersecurity Law**, by Jeff Kosseff, Wiley India Pvt. Ltd., New Delhi, 2019, Paperback, ISBN: 978-81-265-7973-0, 496 pages, Rs.995/-

Expanding on the author's experience as a cyber security lawyer and law professor, **Cybersecurity Law** is the definitive guide to cyber security law, with an in-depth analysis of U.S. and international laws that apply to data security, data breaches, sensitive information safeguarding, law enforcement surveillance, cybercriminal combat, privacy, and many other cyber security issues. Written in an accessible manner, the book provides real-world examples and case studies to help readers understand the practical applications of the presented material. The book begins by outlining the legal requirements for data security, which synthesizes the Federal Trade Commission's cyber security cases in order to provide the background of the FTC's views on data security. The book also examines data security requirements imposed by a growing number of state legislatures and private litigation arising from data breaches. Anti-hacking laws, such as the federal Computer Fraud and Abuse Act, Economic Espionage Act, and the Digital Millennium Copyright Act, and how companies are able to fight cybercriminals while ensuring compliance with the U.S. Constitution and statutes are discussed thoroughly.

**A man who dares to waste one hour of time has not discovered the value of life. — Charles Darwin**
