

Report of the Programme – ‘Hasya Chintan’ (हास्य चिंतन)

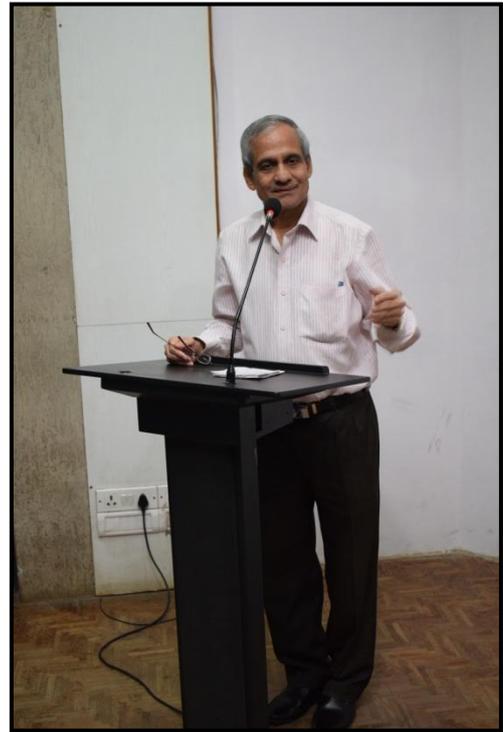

A programme – ‘Hasya Chintan’ was organized by the Library on 22nd September 2017 in Smt. Radhabai Vaze Auditorium. ‘Hasya Chintan’ (हास्य चिंतन) presented by CA Shri Chandrashekhar N. Vaze, was a program based on humorous stories with a strong message attached to each one of them. CA Shri Vaze enthralled the jam packed auditorium with his witty narratives. All of his stories had a punch at the end which gave a strong message; a message that was significant from personal, social, educational, financial, and national point of view. The purpose behind his narratives and messages was to trigger a thinking process in today’s youth, awaken them and to bring in positive changes in their mindsets and lifestyles.

The programme began with garlanding the Saraswati idol and invoking her blessings. Vice Principal Mrs. Shubhangi Bhave welcomed the Speaker and presented a memento and Tulsi plant in the beginning. CA Anil Naik, Chairman-Library Committee gave an overview of the programme and briefed the audience about the idea behind the programme. CA A.D. Bhorkar Sir, Member – CEC, Kelkar Education Trust also graced the occasion. About 200 students, members of the teaching, library and administrative staff attended and enjoyed the programme.

The programme was organized by the Library as a new initiative to connect with the students in a different way; coming out of the walls of the library and reaching the minds of the students. Since knowledge is not restricted within the four walls of the library, it can be shared through programs inviting experts in their respective fields.

Conducting such programmes on behalf of the Library is the brainchild of Respected Principal Dr. B.B. Sharma. The library is thankful to him for making this idea possible. Library Committee Chairman, CA Anil Naik Sir was very much instrumental in the entire process of organizing the programme; without whose inspiration and motivation, organizing such a programme would not have been possible. It was his idea that the entire programme should be conducted by the library staff. Accordingly, the programme was compered by Mr. Pradeep Desai (Library Attendant), introduction of the speaker and the topic was given by Mr. Dattatray Shirsat (Assistant Librarian), Library Activities overview was given by Mr. Paritosh Pawar (Librarian) and Vote of thanks given by Mr. Sanjay Pol (Library Attendant). Rangoli and floral decorations were arranged by Library Clerks - Ms. Pradnya Bhalerao and Ms. Kavita Mehta.

- Mr. P.D. Pawar, Librarian
